Characteristics of the Sauki Braided Paper Pendant Lamp

The Pendant Lamp brings a unique style to any space. The light that this lamp emits **will depend on the E27 LED bulb that we install**. In this way we can choose a warm, cold or neutral light depending on the atmosphere we want to create. An interesting option is to choose some of the RGB or CCT bulbs that will provide us with a plus of versatility when it comes to lighting the space, either in a home or in a commercial premise. **It is widely used in environments as varied as dining rooms, bedrooms, kitchens, offices, living rooms, restaurants, cafeterias, etc.**

* As it is a natural material and a handmade product, the finish may differ slightly from one unit to another.

* Adjustable length suspension cable.

Requires 1x E27 bulb NOT INCLUDED.
