Colour	Ref:
☐ Green - Unit of measure: 1 m	7254-16554

Technical Details

Size:	1.000 mm	**Warranty:**	3 Years
Length:	1.000 mm	**Certifications:**	CE & RoHS, UKCA

Description

This **3x6mm² RZ1-K (AS) Halogen Free Electrical Cable Hose** is ideal for use in industrial, residential and public premises because of its extraordinary flexibility and strength.

The cable cross-section is 6mm². Sections of 6mm² are common in socket installations, machinery, etc.

Characteristics of the 3x6mm² RZ1-K (AS) Halogen Free Electrical Cable Hose:

RZ1-K (AS)

R- Cross-linked Polyethylene Insulation (XLPE)

Z1- polyolefin sheath, non-flammable, halogen-free and with low emission of smoke and corrosive gases in case of fire.

-K Flexible copper conductor, for mobile services.

(AS) High Safety Cable (AS)

(0,6/1kV)

The colour of the sheath of the cables housed inside are black, brown, grey and Yellow/Green (Earth).
