

Models

Colour

 Blue

Ref:

36105-75633

Technical Details

Voltage:	220-240V AC
Multi-Voltage:	100-240V AC
Input:	IEC 309 2P+T
Output:	F 2P+T
Intensity Level:	16 A
Use:	Indoor

IP Protection:	IP20
Material:	Technopolymer
Warranty:	3 Years
Certifications:	CE & RoHS, UKCA
Brand:	Scame

Description

Manufactured by the prestigious brand Scame, world leader in the production of industrial electrical equipment, **this device allows you to adapt a Type IEC309 industrial plug to a Type F socket** commonly known as "Schuko", more commonly used in domestic installations or common receivers.

The most frequent applications and use for these type of products (plugs, sockets, bases, frames, etc.) extend to industrial environments such as **chemical industries, agriculture, construction, shipyards, sports facilities, public events, the food industry, airports, port areas and water treatment, etc.** In all these environments it is necessary to use **products with great durability, reliability, ease of wiring, high degree of IP and IK protection and optimum resistance to atmospheric agents and chemicals.**

This device complies with the European standard EN50250. **In general they guarantee safe and optimal use in the most adverse conditions.**

It complements the electrical installation of any space. Take a look at our wide range of different sockets, consumer units, adapters and electrical material available at LEDKIA.
