Ambience

Description

The Kidonge Aluminium & Wood Pendant Lamp is a perfect element to give a touch of colour to any space. It is made of aluminium and wood and has a simple design to achieve a modern and casual decoration to our taste.

Characteristics of the Kidonge Aluminium & Wood Pendant Lamp

The brightness of the lamp depends on the bulb we put in it. This opens up a wide variety of possibilities as, for example, we can use filament lamps, giving it a more retro look, or use a more modern-looking bulb. **The important thing is to choose the bulb that illuminates the space adequately, taking into account the lighting needs of the space.**

* Requires E27 bulbs with a maximum diameter of Ø100 mm.

Requires 1 E27 bulb NOT INCLUDED with the product.
