Description

This Scotch 1609 Silicone Lubricant Spray is made by the well-known 3M brand. **It's a general use product for preventative maintenance, protection and lubrication. It lubricates moving parts, without becoming resinous and can be used over a wide temperature range (- 32°C to + 177°C) thereby, providing long lasting protection against moisture and corrosion.**

This 3M Scotch 1609 Silicone Lubricant Spray is neutral towards paints, plastic, rubber, foamed materials, wood and fabrics. Designed for general maintenance (prevention, protection and lubrication). **Contains 400ml.**
