## Technical Details

|                             |                 |
|-----------------------------|-----------------|
| Power                       | 52 W            |
| Tension                     | 220-240V AC     |
| Rated Voltage               | 100-240V AC     |
| Frequency                   | 50-60 Hz        |
| Electric Insulation Class   | I               |
| Adjustable                  | No              |
| Light Source                | COB             |
| LED number                  | 1               |
| Color Rendering Index (CRI) | 80              |
| Brightness                  | 6225 lm         |
| Use                         | Indoor, Outdoor |
| IP Protection               | IP65            |

|                                       |                   |
|---------------------------------------|-------------------|
| IK Protection                         | IK08              |
| Material                              | Crystal, Aluminum |
| Installation                          | Surface           |
| High                                  | 207 mm            |
| Wide                                  | 334 mm            |
| Brand                                 | LEDS-C4           |
| Selectable Opening Angle              | 90                |
| Light color                           | Daylight          |
| Color Temperature                     | 4000K - 4500K     |
| Energy Efficiency 2023 (EU-2019/2015) | D                 |
| Revisión Control de Calidad           | No                |

## ***Ambience***

## ***Description***

**The 52W LEDS-C4 Hubble Aluminium COB LED Spotlight IP65 is manufactured by the prestigious brand LEDS-C4**, a Spanish high-tech company specialised in lighting. It was founded in 1963 and began working with LED technology in 2008, dominating this field and achieving great confidence and respect in the LED industry.

### **Characteristics of 52W LEDS-C4 Hubble Aluminium COB LED Spotlight IP65**

**The 52W LEDS-C4 Hubble Aluminium COB LED Spotlight IP65 has a simple and elegant design** that combined with the high quality light that this beacon emits, is ideal for lighting paths and highlighting specific areas of your garden or other elements that you want to display.

You can find this product and many more at our online shop [Ledkia](#).
