<b>Height:</b>	90 mm
<b>Diameter:</b>	Ø300 mm
<b>Frame:</b>	Grey
<b>Working Temperature:</b>	-20°C ~ +40°C
<b>Life Span:</b>	30,000 Hours
<b>Warranty:</b>	5 Years
<b>Certifications:</b>	CE & RoHS, UKCA

## *Ambience*

## ***Description***

**The Curio Round Grey Outdoor Surface Panel Ø300 mm IP65 is a highly decorative and versatile element** that can adapt to any style. It requires two E27 Bulbs and therefore, **depending on the bulbs we use, we'll be able to choose the type of light we want.** We just have to keep in mind that our bulbs cannot be wider than 62mm.

**Its high quality PVC finish and IP65 Protection factor make this unit resistant to dust and water.** Therefore, we can install this Grey Round Curio Surface Panel (IP65) in many different places, like balconies, facades, gardens or passing areas. It can be screwed into any surface, be it a wall or ceiling. To maintain proper IP65 Protection, the client must make sure to cover and protect the supplied components accordingly.

**Requires 2 E27 Bulbs that ARE NOT INCLUDED**
