Technical Details

Use:	Indoor	Width:	90 mm
IP Protection:	IP20	Length:	90 mm
Material:	PC, Metal	Total Weight:	0.58 kg
Size:	80x90x90 mm	Warranty:	5 Years
Height:	80 mm	Certifications:	CE & RoHS, UKCA

Description

L-Type Connector for a 60W Trunking LED Linear Bar.

This connector allows us to easily modify the direction or position of the different Trunking LED Bars, allowing us to have a 90° angle. This is useful for areas in which there are different hallways and passing areas to light.
