

Models

Colour Temperature	Ref:
 Warm White 3000K - 3500K	3620-8183
 Daylight 4000K	3620-8184
 Cool White 6000K	3620-8185

Technical Details

Power	100 W	Installation	Surface
Tension	220-240V AC	High	220 mm
Frequency	50-60 Hz	Wide	300 mm
Electric Insulation Class	I	Lenght	48 mm
Adjustable	No	Weight	1.96 kg
Light Source	SMD2835	Room Temperature Work	-20 °C~+45 °C
Brightness	10000 lm	Useful life	60.000 Hours
Luminous Efficiency	100 lm/W	Certificates	RoHS, CE, UKCA
LED Performance	120 lm/W	Warranty	3 Years
Type of Lens	Transparent	Selectable Opening Angle	110°
Use	Outdoor	Light color	Warm White, Cool White, Daylight
IP Protection	IP65	Color Temperature	3000K - 3500K, 6000K, 4000K
IK Protection	IK08	Energy Efficiency 2023 (EU-2019/2015)	F
Material	Aluminum, Crystal		

Description

This White 100W UltraSlim LED Floodlight stands out for its compact design and minimalist finish.

Characteristics of this White 100W UltraSlim LED Floodlight

This White 100W UltraSlim LED Floodlight is small and has modern and functional design.

Its SMD2835 optic is very efficient. The light is distributed over a 110° angle and is perfect for lighting in all sorts of settings. **It offers considerable energy savings.**

It's designed for lighting outdoor areas **and has IP65 Protection**. It's made of high quality aluminium, which can contribute to efficiently eliminating heat that is generated.

Applications for this White 100W UltraSlim LED Floodlight

It's mainly used on balconies, terraces and gardens, where we want to reduce energy consumption without sacrificing light quality.

Enjoy this White 100W UltraSlim LED Floodlight at the best price at LEDKIA, our online lighting shop.

*This product is pre-wired with a 300mm cable. approximately.
