Description

This 3M Scotchflex Hook and Loop Velcro Tape for Securing Wires (20mm x 10m) is used for grouping cables, organizing conductors and holding things in place. It's 20mm thick and 10 metres long. The Tape rapidly secured cables and holds them closed without slipping. **It can be reused for maximum efficiency** and can be perfectly adjusted to cables without the risk of squeezing them too hard.

Resistant to fuels, lubricants, most chemical agents and UV rays (UV-resistance only available in the black version). Moulded from 6/6 nylon certified by UL. Self-extinguishing in conformity with UL 94 V1.
