## **Description**

This Round 3W UltraSilm LED Panel has a thin design with a great finish and has a highly reduced consumption.

Its SMD2835 light **provides a brightness that's equivalent to a 20W halogen luminaire**. This efficiency provides us with considerable energy savings. Also, it has a long 30,000-hour working life and doesn't require any maintenance. It has a 120° opening angle that's perfect for well-spread and efficient lighting.

Applications for this Round 3W UltraSlim LED Panel

Given the features of the LED Panel, this is an ideal LED lighting element for hallways, entrances, stairways and for spaces in which we require high quality ambient lighting.

Enjoy this Round 3W UltraDlim .LED Panel, available here with a 2 year warranty at LEDKIA, our online lighting shop.
