## ***Description***

The Banate Portable Outdoor Solar LED Table Lamp with USB Rechargeable Battery ILUZZIA is, without a doubt, a highly decorative and versatile element that can be installed in a large number of spaces such as balconies, canopies or outdoor passageways. It incorporates a monocrystalline solar panel at the top that allows the wall lamp's battery to be recharged.

### **Features of the Banate Portable Outdoor Solar LED Table Lamp with USB Rechargeable Battery ILUZZIA**

**The Banate Portable Outdoor Solar LED Table Lamp with USB Rechargeable Battery ILUZZIA has a simple design which gives a modern touch to the place.** Thanks to the built-in diffuser it will emit a uniform 3000K light. It incorporates a Li-on battery that is charged by a solar panel installed on its top.

Discover all the outdoor decorative options offered by the range of LED Table Lamps in our online shop.
