Description

The Bambu Atamach Pendant Lamp combines a unique and elegant design with top quality finishes. This type of design lamp allows us to give that elegant touch that will add personality to any space, making it unique.

Characteristics of the Bambu Atamach Pendant Lamp

The Bambu Atamach Pendant Lamp has a simple design which gives a modern touch to the place. The light that this lamp emits will depend on the E27 LED bulb that we install. In this way we can choose a warm, cold or neutral light according to the environment we want to create. An interesting option is to opt for some of the RGB or CCT bulbs that will give us an added versatility when it comes to lighting the space, either in a home or in a commercial premises. It is widely used in environments as varied as dining rooms, bedrooms, kitchens, living rooms, restaurants, coffee shops, etc.

* As it is a natural material and a handmade product, the finish may differ slightly from one unit to another

Use 1 E27 Bulb NOT INCLUDED in the product.
