## ***Description***

**The Grid Adjustable Aluminium 6 Spotlight Ceiling Lamp is especially designed for indoor spaces.**

Given its elegant design, it can be used in commercial spaces, in shop windows and inside shops, and also in homes, in living rooms, bedrooms, etc. As it's made from aluminium, this Black Adjustable Grid Ceiling Light with 6x Spotlights stands out for the quality of its finish.

**This type of LED lighting is very versatile and can be pointed in any direction, thanks to the rotation of its axis.** Also, it allows us to completely customize the type of light in function with the bulbs we install in the lamp. This allows us to adapt light to the requirements of each space.

**Requires 6x E14 Bulbs that ARE NOT INCLUDED with the product.**
