Colour Temperature

☒ Daylight 6000K

Ref:

3827-8930

Technical Details

Power:	2 W
Voltage:	220-240V AC
Multi-Voltage:	85-265V AC
Frequency:	50-60 Hz
Screw:	E12
Light Colour:	Daylight
Lumens:	150 lm
Energy Efficiency 2021 (UE-1369/2017):	A+
Energy Efficiency 2023 (UE-2019/2015):	F
Beam Angle:	360°

Use:	Indoor
Material:	Glass
Size:	83xØ25 mm
Height:	83 mm
Diameter:	Ø25 mm
Working Temperature:	-10°C ~ +40°C
Life Span:	50,000 Hours
Warranty:	3 Years
Certifications:	CE & RoHS, UKCA

Description

The E12 T25 150 lm LED Bulb with 2W of power is the ideal model to replace the old bulbs with E12 socket.

The 150 lumens it provides are equivalent to the brightness of a conventional bulb of around 8W. This results in an **energy saving of 80%**. The light emitted is distributed at an angle of 360°.

In addition to energy efficiency, this type of lighting **stands out for its long service life, which is estimated at 30,000 hours**. This is thanks to the quality of the materials, such as aluminium and polycarbonate, used in its manufacture.
