## Description

**The Kapp Natural Fibre Pendant Lamp** combines a unique and elegant design with top quality finishes. This type of designer lamp allows to add a colourful touch that will give personality to any space, turning it into something truly unique.

### Characteristics of the Kapp Natural Fibre Pendant Lamp

The Kap Natural Fibre Pendant Lamp brings a unique style to any space. **The light emitted by this lamp depends on the E27 LED bulb used.** This way you can choose a warm, cool or neutral light depending on the atmosphere you want to create. Another interesting option is to choose an RGB or CCT bulb that will add versatility when it comes to lighting your space, whether at home or in your business. **It is widely used in environments such as dining rooms, bedrooms, kitchens, offices, living rooms, restaurants, cafes, etc.**

\* As it is a natural material and a handmade product, the finish between several units may differ slightly.

\* Length suspension cable is adjustable.

**Requires 1 x E27 bulb NOT INCLUDED with the product.**
