Description

The Round White 12W Luxpremium LED Downlight (UGR15) Ø 95 mm Cut-Out LIFUD is a very versatile product that combines good performance and energy savings. In addition, it incorporates a driver of the prestigious brand **LIFUD**, pioneers in the manufacture of high quality LED Drivers.

Characteristics of the Round White 12W Luxpremium LED Downlight (UGR15) Ø 95 mm Cut-Out LIFUD

It incorporates an optic led with a total power of 12W with which we obtain a luminosity of 900lm. Made of aluminum with a very elegant finish in white and silver. Its installation is very simple and only requires a cut of Ø95mm in the surface where it will be recessed.

By choosing LED lighting we not only choose to save on the electricity bill, but we opt for a more environmentally friendly technology, higher quality and with a duration ten times higher than traditional lighting systems.
