

## Models

## Technical Details

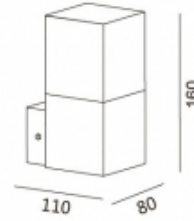

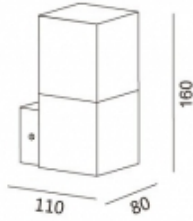

Maximum Power:	40 W
Voltage:	220-240V AC
Protection Class:	I
Screw:	E27
Points of Light:	1
Light Source:	E27 Bulb
Lens Type:	Frost
Use:	Outdoor
IP Protection:	IP54
IK Protection:	IK08
Material:	PMMA, Aluminium

Colour Code:	RAL 7010
Installation:	Surface
Size:	160x80x110 mm
Height:	160 mm
Width:	80 mm
Length:	110 mm
Doesn't include:	Bulbs
Life Span:	30,000 Hours
Warranty:	5 Years
Certifications:	CE & RoHS, UKCA

## ***Description***

**The Domus Aluminium Outdoor Wall Lamp in Black has a rectangular design that combines perfectly with any style,** whether rustic or modern.

**The light source of this outdoor wall lamp is an E27 LED bulb that must be purchased separately.** In this way, the light emitted by the Domus LED wall lamp will depend on the bulb we install, and therefore, we will be able to adjust it perfectly to the atmosphere we want to create.

As it is made of aluminium and PMMA (polymethylmethacrylate), it has an IP54 rating that protects it from dust and splashes. **It is an excellent choice for wall lighting, facades, corridors, passageways and hallways.** The opal finish of its diffuser ensures uniform, glare-free and glare-free illumination.

**Requires 1 E27 bulb NOT INCLUDED with the product.**
