## Description

**The Mercury Metal Pendant Lamp combines a unique and elegant design with top quality finishes.**

This type of design lamps allow us to give a touch of personality to any space, making it unique. The Mercury **pendant lamp is made of aluminium and can be found in different finishes**, so you can choose the one that best suits the style of the space.

The light emitted by this Mercury pendant lamp will depend on the E27 LED bulb that we install. This way we can choose a warm, cold or neutral light depending on the atmosphere we want to create. An interesting option is to **opt for some of the RGB bulbs that will give us extra versatility** when lighting the space, whether in a home or in a commercial premises.

\* Height-adjustable cable

\* Accepts E27 Bulbs with a maximum diameter of Ø125mm

**Requires 1 E27 bulb NOT INCLUDED with the product.**
