Description

The 80cm Emerita LED Bollard ILUZZIA has a minimalist and elegant design that's perfect for any garden or terrace.

The 320 lumens provided by its Epistar source are perfect for lighting passing areas, entrances and any outdoor area in which we require a splash of light. It works directly at 220V, and is fed by being connected directly to the mains.

As it's made from high quality aluminium, this 6W Emerita LED Post Light **is resistant to weather conditions and impacts. It has IP54 and IK08 Protection factors.** It also has a 30,000 hour working life.

The Outdoor LED lighting offered on our online shop is perfect for courtesy or signal lighting. Get this 6W Emerita LED Post Light at the best price and with **a five year warranty.**
