Technical Details

Material:	PVC	**Certifications:**	CE & RoHS, UKCA
Warranty:	2 Years		

Description

RJ45 Connectors are used for data cables or Category 6 network cables. Their PVC finish, **shielded metal cover** and 8 pins will allow you to clip or wrinkle the ends of braided cables easily and quickly. This connector has a security pin that acts a an earth wire, which makes it **perfect for outdoors.**

Don't hesitate in visiting **LEDKIA** and join cables from your network, security cameras, scanners, etc., with the **Outdoor RJ45** Connector.

Sold in units and as always, at the best price.
