Ambience

Description

This Vesta 12W Aluminium White Outdoor LED Wall Lamp with Double Sided Lighting is a highly decorative and versatile element that will adapt to any style. **This light incorporates LEDs that consume 12W.**

The high quality aluminium finish and an IP44 Protection factor make this light resistant to dust and splashes of water. Therefore, we can install this Vesta 12W Aluminium White Outdoor LED Wall Lamp with Double Sided Lighting in a large variety of spaces such as balconies, canopies and covered outdoor areas. **It can be installed onto any surface by screwing it into the wall.** In order to maintain IP44 Protection, the client must make sure to install and protect the connection areas of this light accordingly.
