Ref:

☐ Warm White 2700K - 3000K

1747-2959

Technical Details

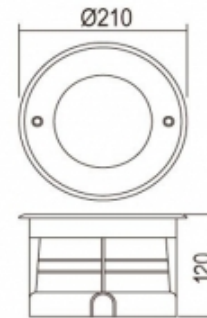

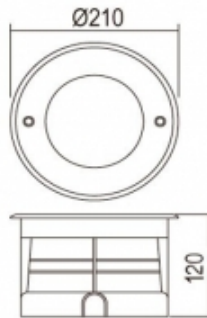

Power	12 W
Tension	220-240V AC
Frequency	50-60 Hz
Electric Insulation Class	I
Adjustable	No
Light points	1
Light Source	CREE
LED number	12
Color Rendering Index (CRI)	80
Brightness	580 lm
Use	Indoor, Outdoor
IP Protection	IP67
IK Protection	IK10

Material	Stainless Steel 304
Colour	Silver
Installation	Recessed
High	120 mm
Diameter	210 mm
Weight	2.35 kg
Useful life	40,000 Hours
Space	Yard, Pool, Terraces / Balconies
Style	Minimalist, Modern
Light color	Warm White
Color Temperature	2700K - 3000K
Energy Efficiency 2023 (EU-2019/2015)	F

Description

This 12W Recessed LED Ground Light allows us to uniquely light many different outdoor areas like gardens, patios and paths, to name a few.

Its CREE light source provides us with a brightness that's equivalent to conventional 50W luminaires. Therefore, **it's an outdoor LED light that can act as a central lighting point or as a complement to our general lighting**. Also, this 12W Recessed LED Ground Light works at 220V and requires a Ø193x112 mm cut-out.

As it's an outdoor element, **it's made from stainless steel and has an IP67 Protection rating** which guarantees that no dust or other elements can enter. This 12W Recessed LED Ground Light, available here on our online lighting shop, has a working life of up to 30,000 hours.

Discover the best outdoor LED lights for gardens with a 5 year warranty and at the best price, only at LEDKIA.
