### Characteristics of the Swan Pendant Light LED-C4 Small

The Swan Pendant Lamp LED-C4 Small brings a unique style to any space. **The light emitted by this lamp will depend on the E27 LED bulb that we install.** This way we can choose a warm, cold or neutral light depending on the atmosphere we want to create. An interesting option is to choose some of the RGB or CCT bulbs that will give us extra versatility when lighting the space, whether in a home or in commercial premises. **They are widely used in environments as varied as dining rooms, bedrooms, kitchens, offices, living rooms, restaurants, cafés, etc.**

\* Adjustable length suspension cable.

**Uses 1 E27 bulb NOT INCLUDED in the product.**
