## **Description**

**The Colima Wall Lamp combines a unique and elegant design with top quality finishes.** This type of designer lamp allows to add a colourful touch that will give personality to any space, turning it into something truly unique.

### **Characteristics of the Colima Wall Lamp**

**The Colima Wall Lamp combines a unique and modern design with top quality finishes. The light emitted by this lamp depends on the E27 LED bulb used.** This way you can choose a warm, cool or neutral light depending on the atmosphere you want to create. Another interesting option is to choose an RGB or CCT bulb that will add versatility when it comes to lighting your space, whether at home or in your business. It is widely used in environments such as dining rooms, bedrooms, kitchens, offices, living rooms, restaurants, cafes, etc.

Discover all the decorative options offered by our range of LED Wall Lamps available at Ledkia, our online LED shop.

**Requires 1 x E27 bulb NOT INCLUDED with the product, you can find it [here](#)**
