## Ambience

## Measures

## ***Description***

This Mystic LED Step Light is made from high quality aluminium, it has a modern and resistant design and can be used both indoors and outdoors thanks to its IP65 Protection. Made with a 3W COB LED, it emits a soft, uniform and well-distributed white light that doesn't bother the eyes. The driver is included inside the light.

It has many different uses, seen mostly in public places like stairwells, hallways, lift entrances, car parks, hotels, gardens, town squares, etc.
