Colour Temperature	Ref:
 No Flicker Warm White 2800K - 3200K	1121-173908
 No Flicker Cool White 4000K - 4500K	1121-173902
 No Flicker Daylight 6000K - 6500K	1121-174479

Technical Details

Power:	5 W
Voltage:	220-240V AC
Multi-Voltage:	85-265V AC
Frequency:	50-60 Hz
Screw:	E14
Light Source:	SMD2835
CRI:	80
Lumens:	400 lm
Energy Efficiency 2021 (UE-1369/2017):	A+
Energy Efficiency 2023 (UE-2019/2015):	F
Beam Angle:	180°

Lens Type:	Frost
Use:	Indoor
IP Protection:	IP20
Material:	PC, Aluminium
Size:	99xØ37 mm
Height:	99 mm
Diameter:	Ø37 mm
Working Temperature:	-20°C ~ +40°C
Life Span:	40,000 Hours
Warranty:	3 Years
Certifications:	CE & RoHS, TÜV

Description

This 5W E14 C37 400 lm LED Bulb is the ideal model for replacing old candle bulbs that are commonly found in salon lamps.

The 400 lumens provided are equivalent to the brightness of a conventional 35W bulb. **This allows us to save 80% in energy consumption.** The light it emits is distributed over a 180° beam angle and has a Colour Rendering Index (80) which demonstrates the light quality provided by this 5W E14 C37 400 lm LED Bulb.

Aside from energy efficiency, this type of lighting **stands out for its extensive working life, which is estimated to be 30,000 hours.** This is thanks to the quality of its materials, like aluminium and polycarbonate which are used in the manufacturing process.

Renew the lighting of any space with this C37 E14 5W LED Bulb, available here at LEDKIA, our online lighting shop.

* In the case of enclosed luminaires, the recommended maximum operating time is half of the maximum time specified in the general conditions.
