Description

This Black Miseno Wall Light ILUZZIA will provide an original touch to any area in which it's installed.

It uses two GU10 LED bulbs which light in opposite directions. **In function with the LED bulbs we choose, we'll be able to choose which brightness and temperature we have.** The only limit is the maximum height of the bulb, which is 62mm.

This Black Miseno Wall Light ILUZZIA **is resistant to both dust and water, as it has an IP54 Protection rating.** Therefore, it can be used on walls, facades, hallways, entrances and any area in which we require decorative light, be it indoors or outdoors.

Decorate any area with the Black Miseno Wall Light, available at the best price and with a 5 year warranty.

This light uses 2 x GU10 Bulbs that ARE NOT INCLUDED.
