Description

This Presley Pendant Light has a design that reminds us of a kasa, a traditional Japanese hat.

If we're looking for a lighting element that stands out, this is without a doubt a very interesting option as, with its peculiar design, it's impossible that this Presley Pendant Light go unnoticed, independently of the area in which it's installed. **It's made of high quality aluminium and has two finishes: black and gold.**

This Presley Pendant Light is used in all sorts of design spaces where we need lighting that can provide personality and distinction. **In function with the LED bulb we use, we'll have either functional or environmental lighting.** This allows us to adapt the luminaire to any environment.

Enjoy **the most exclusive vintage design lighting** at an incredible price with this series of pendant lights that are available at LEDKIA, our online lighting shop.

***Height-adjustable cable**

*This lamp can take bulbs with a maximum diameter of 250mm.

Requires an E27 Bulb that IS NOT INCLUDED, but can be found **here**.
