Ambience

Description

The Magna Design Double Sided Outdoor Aluminium Wall Lamp is, without a doubt, a highly decorative and versatile element that will adapt to any style. Its high quality finish and IP54 Protection factor makes this Wall Light highly resistant to dust and splashes of water. **This Magna Design Double Sided Outdoor Aluminium Wall Lamp can therefore be installed in a large variety of environments like balconies, canopies and outdoor covered areas.**

It can be fitted to any surface by using screws to attach it to the wall. In order to maintain an IP54 Protection, the client must make sure to install and assure that the supplied components are correctly installed.

Requires 2 GU10 Bulb that IS NOT INCLUDED with the product.
