Description

This Silver Miseno Wall Light ILUZZIA allows us to light any space in a decorative manner.

The light emitted by this outdoor light is completely customizable, as we can use any GU10 Bulb of our choosing. The only limit would be the height, which cannot surpass 62mm. **The way the spotlights are displayed is very striking, as they light in opposite directions.**

This Silver Miseno Wall Light has IP54 Protection. **It's resistant to dust and splashes and has been made using high quality items like aluminium.** Therefore, this light is perfect for installing in any area looking for decorative and modern light.

Enjoy this Silver Miseno Wall Light at the best price and with a 5 year warranty, available here at LEDKIA, our online lighting shop.

This light uses 2 x GU10 Bulbs that ARE NOT INCLUDED.
