 Daylight 6000K - 6500K	754-1517

Technical Details

Power:	40 W	Use:	Outdoor
Power Factor:	0.99	IP Protection:	IP64
Voltage:	220-240V AC	Special:	Street Lights
Multi-Voltage:	85-265V AC	Material:	PC, Aluminium
Frequency:	50-60 Hz	Size:	240xØ90 mm
Screw:	E27	Height:	240 mm
Light Source:	SMD5630	Diameter:	Ø90 mm
CRI:	80	Total Weight:	0.36 kg
Lumens:	4000 lm	Working Temperature:	-20°C ~ +45°C
Energy Efficiency 2021 (UE-1369/2017):	A+	Life Span:	50,000 Hours
Energy Efficiency 2023 (UE-2019/2015):	F	Warranty:	3 Years
Beam Angle:	360°	Certifications:	CE & RoHS, TÜV

Description

This LED Lamp has been designed specifically for public lighting as it has a high level of energy conversion and minimal maintenance costs. It offers instant, full light and uses all consumed energy to create light, providing energy savings that will pay off the cost of the light in no time. It has a long working life, is robust and is highly resistant to vibrations.

Perfect for installing on public roads, industrial warehouses, workshops, motorway tolls, petrol stations, car parks, supermarkets, etc.

Install in open luminaires. During assembly it is recommended that excess equipment be removed (Ballasts, starters, etc.).

*If these bulbs are installed inside a closed fitting with no air flow, they will not be covered by the warranty.
