Colour Temperature	Ref:
 Warm White 3200K	63976-130792
 Cool White 4000K	63976-125167
 Daylight 6500K	63976-125164

Technical Details

Power:	36 W	Use:	Indoor, Outdoor
Voltage:	220-240V AC	IP Protection:	IP65
Frequency:	50-60 Hz	IK Protection:	IK07
Protection Class:	II	Material:	PC
Light Source:	SMD2835	Installation:	Surface
CRI:	80	Size:	25x38x1200 mm
Lumens:	3600 lm	Height:	25 mm
Luminous Efficiency:	100 lm/W	Width:	38 mm
Energy Efficiency 2021 (UE-1369/2017):	A+	Working Temperature:	-40°C ~ +40°C
Energy Efficiency 2023 (UE-2019/2015):	F	Life Span:	40,000 Hours
Beam Angle:	120°	Warranty:	3 Years
Lens Type:	Frost	Certifications:	CE & RoHS, UKCA

Description

The 120cm 36W IP65 Tri-Proof LED Batten is perfect for both garden and garage lighting. Its design adds a simple but modern touch that goes well with any style.

Characteristics of the 1200mm 36W IP65 Tri-Proof LED Batten

LEDs with SMD2835 technology offer high luminosity distributed over an opening angle of 120°. Both the housing and the cover of the **Batten LED Screen 120cm IP65 36W are made of polycarbonate, which is a very solid material that presents a high resistance to water, dust and corrosion.** All this is summarised in the IP65 protection ratings.

Applications of the 120cm 36W IP65 Tri-Proof LED Batten

The design and characteristics of this LED screen position it as the **perfect solution for the lighting of large and diverse interior spaces, such as factories, warehouses, car parks, tunnels, terraces...** as well as outdoor locations such as gardens. Discover the 36W 1200mm IP65 Tri-Proof LED Batten at our lighting shop Ledkia and join the energy saving of LED lighting.
