Description

This **7W Lenny LED Wall Light for Bathroom Mirrors** has a rectangular design that combines well with any style, be it rustic or modern.

This light has 7W of power and a 4000K colour temperature. It has an IP44 Protection factor which protects against dust and splashes of water.

It can be installed in living rooms, bathrooms, passing areas, entrances, etc.

Take advantage of the variety of wall lights we have here at LEDKIA, our online lighting shop, and customize your spaces and favourite corners in the way you like best.
