Technical Details

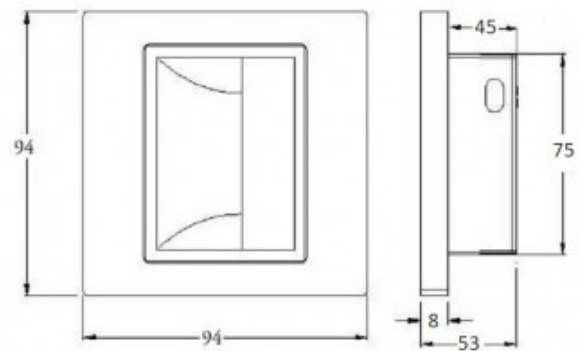

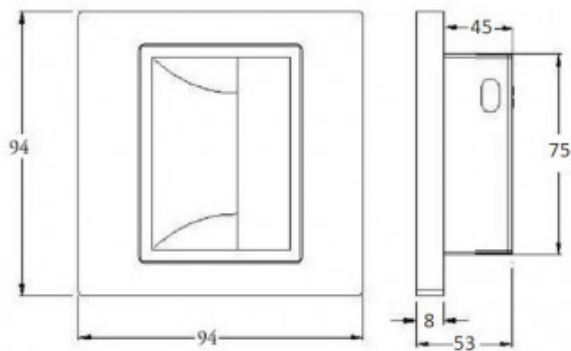

Power:	1.5 W
Voltage:	220-240V AC
Frequency:	50-60 Hz
Light Source:	COB
CRI:	70
Lumens:	165 lm
LED Performance:	110 lm/W
Energy Efficiency 2023 (UE-2019/2015):	F
Beam Angle:	120°
Use:	Indoor
IP Protection:	IP40
Material:	ABS

Installation:	Recessed
Size:	94x94x50 mm
Height:	94 mm
Width:	94 mm
Length:	50 mm
Total Weight:	0.13 kg
Detector:	PIR
Detection Distance:	1~1.5 m
Detection Angle:	120°
Life Span:	50,000 Hours
Warranty:	5 Years
Certifications:	CE & RoHS, UKCA

Description

The **1.5W Bark Recessed Wall LED Spotlight with PIR Sensor in Grey** is made of **high quality**, fire resistant ABS material and has a modern and elegant design.

Features of the 1.5W Bark Wall LED Spotlight with PIR Sensor in Grey

Mounts a **1.5 W COB LED**, which offers 165 lumens and a uniform, well distributed, soft and eye-friendly white light. The driver is included inside. The beacon remains switched off until its infrared sensor detects movement within the range (1-1.5 m and 120° angle), 60 seconds after the last movement is detected, it switches off again. All of this allows it to **extend its service life**, as well as providing greater savings in consumption. **Its use is extensive and varied, perfect for spaces such as staircases, corridors, lift entrances, car parks, hotels, etc.**
