

Models

Optics	Ref:
60°	77584-156711
10°	77584-169445

Technical Details

Power	1000 W
Tension	220-240V AC
Rated Voltage	100-277V AC
Frequency	50-60 Hz
Electric Insulation Class	I
Adjustable	Yes
Light Source	SAMSUNG SMD3030
Color Temperature	5000K
Brightness	170000 lm
Luminous Efficiency	170 lm/W
Use	Indoor, Outdoor
IP Protection	IP66
IK Protection	IK08

Material	Pc, Aluminum
Installation	Surface
High	965 mm
Wide	510 mm
Lenght	136 mm
Weight	32.5 kg
Room Temperature Work	-20 °C~+45 °C
Useful life	80.000 Horas
Type of regulation	1-10 V
Brand Driver	INVENTRONICS
Energy Efficiency 2023 (EU-2019/2015)	B
Código Taller	401
Optics	60°, 30°, T3-VS, 10°

Description

The Professional Stadium 1000W SAMSUNG INVENTRONICS LED Floodlight 170lm/W 1-10V Dimmable stands out for its modern and innovative design. Designed for sports lighting at the highest levels of competition and sporting demands.

Features of the Professional Stadium 1000W SAMSUNG INVENTRONICS LED Floodlight 170lm/W 1-10V Dimmable

It offers high luminous flux, high optical efficiency, easy installation and maintenance, combined with high reliability and flexibility.

The luminous flux **can be dimmed from 1-10 V to adjust the emitted light intensity** according to the needs of the moment, for greater energy savings.

The parallumen integrated in the reflector allows greater use to be made of the flux emitted by the lamp and further reduces glare. It is equipped with an **angle gauge for adjusting the position of the luminaire**.

For optimum adjustment of the luminaire, the LED spotlight laser is the perfect complement to the Stadium PRO floodlights. Thanks to its long range, you can pinpoint the desired spot from anywhere in the venue.

Advantages of the Professional Stadium 1000W SAMSUNG INVENTRONICS LED Floodlight 170lm/W 1-10V Dimmable

Its power, together with the high brightness of the SAMSUNG Professional Stadium LED Floodlight 1000W 170lm/W IP66 INVENTRONICS Dimmable 1-10 V makes it a perfect choice for indoor and outdoor sports areas, thanks to its high degree of **protection IP 66**. It is the best choice for the lighting of piers, stadiums, or enclosures where you want to provide a special illumination.

The Professional Stadium 1000W SAMSUNG INVENTRONICS LED Floodlight 170lm/W 1-10V Dimmable is composed of **4 modules of 250W**. Thanks to its **modular design**, it allows the exchange of individual modules instead of replacing the product.

It is possible to equip the modules of the same Stadium spotlight with **different lenses** that modify and allow different opening angles, please consult our customer service.
