Colour	Ref:
☐ White	4499-10577
■ Black	4499-10578

Technical Details

Maximum Power:	2000 W		**Installation:**	Recessed
Voltage:	220-240V AC		**Size:**	50x50 mm
Multi-Voltage:	100-240V AC		**Height:**	50 mm
Frequency:	50-60 Hz		**Width:**	50 mm
Use:	Indoor		**Working Temperature:**	-10°C ~ +40°C
IP Protection:	IP20		**Warranty:**	3 Years
Material:	PC		**Certifications:**	CE & RoHS, UKCA

Description

This switch is the ideal solution for providing a design touch to the switches in your home. It's available in two colours and has a high durability and resistance.

These switches are of the standard size, meaning they can be installed into any frame, although we recommend that they be installed in the glass frame that's available in the 'Accessories' section, for a more professional finish. The glass frame includes the elements required for installation in a universal back box.
