Voltage:	220-240V AC	IK Protection:	IK08
Frequency:	50-60 Hz	Material:	Glass, Aluminium
Protection Class:	I	Installation:	Surface
Light Source:	SMD2835	Size:	195x142x30 mm
Lumens:	3000 lm	Height:	195 mm
Luminous Efficiency:	100 lm/W	Width:	142 mm
LED Performance:	120 lm/W	Length:	30 mm
Energy Efficiency 2021 (UE-1369/2017):	A+	Life Span:	60,000 Hours
Energy Efficiency 2023 (UE-2019/2015):	F	Warranty:	3 Years
Beam Angle:	110°	Certifications:	CE & RoHS, UKCA
Lens Type:	Transparent		

Description

This Black 30W UltraSlim LED Floodlight stands out for its compact design and minimalist finish.

Characteristics of this Black 30W UltraSlim LED Floodlight

The incorporated light source is perfect for replacing a 230W halogen bulb and saving in energy consumption. It's therefore **an ideal unit for being installed in outdoor areas**.

It has a **special glass prismatic diffuser that noticeably reduces annoyances caused by glare, providing a UGR<19 glare factor, making this floodlight perfect for all sorts of areas. Also, as it has an IP65 Protection factor, and also an aluminium housing, it's ideal for outdoor areas**, be it on balconies, terraces or wherever we need quality lighting with minimal consumption. Also, the support allows us to adjust the floodlight into the required position.

You'll find this Black 30W UltraSlim LED Floodlight here on our online lighting shop. It's available in 3 colour temperatures so that you can choose the one that best suits your needs.

*This product comes with a pre-wired cable that's approximately 300mm.
