Description

The 3W Banate Solar Outdoor LED Floor Lamp is, without a doubt, a highly decorative and versatile element that can be installed in a large number of spaces such as balconies, canopies or outdoor passageways. It incorporates a monocrystalline solar panel at the top that allows the wall lamp's battery to be recharged.

Features of the 3W Banate Outdoor LED Solar Floor Lamp

The 3W Banate Solar Outdoor LED Floor Lamp has a simple design which gives a modern touch to the place. Thanks to the built-in diffuser it will emit a uniform warm white light that also has 3 modes to adjust the brightness. It incorporates a Li-on battery that is charged by a solar panel installed on top.
