## Description

Reflect Pendant Lamp combines a unique and elegant design with top quality finishes. This type of designer lamp adds an elegant touch that will add personality to any space, making it truly unique. Available in two different finishes, Black and White.

### Characteristics of the Reflect Pendant Lamp

The Reflect Pendant Lamp has a simple design which gives adds modern touch to your space. **The light emitted by this lamp depends on the E27 LED bulb installed.** You can choose a warm white, cool white or dalylight bulb depending on the ambient light you want to create. An interesting option is to opt for RGB or CCT bulbs that will provide even more versatility when it comes to illuminating your space, whether at home or in a commercial setting. It is **widely used in various environments such as dining rooms, bedrooms, kitchens, living rooms, restaurants, cafes, etc.**

Discover all the decorative options offered by our range of LED Pendant Lamps availabe at LEDKIA, our online LED shop.

\* Suspension cable adjustable in length.

**Requires 1x E27 bulb NOT INCLUDED, which can be found here.**
