Colour

 Black

Ref:

20779-41650

Technical Details

Maximum Tension:	400V AC
Intensity Level:	24A
Cable Size:	0.5 mm ² - 2.5 mm ²
Use:	Indoor, Outdoor
IP Protection:	IP68
Size:	65x92x24 mm
Height:	65 mm

Width:	92 mm
Diameter:	Ø24 mm
Total Weight:	0.06 kg
Air Temp. For Operation:	-40°C / 105°C
Warranty:	3 Years
Certifications:	CE & RoHS, TÜV

Description

This Waterproof T Type Connector Cable 3 Contacts 0.5-2.5 mm² IP68 is optimal for splicing or connecting electrical wiring in those areas where conditions require a high degree of sealing and resistance to dust, moisture and water.

It has internal terminals for the connection of 3 phases (Live, Neutral and Earth), with the admissible cable sections ranging from 0.5 mm² to 2.5 mm².

This Connector permits a maximum of 24 A of Intensity and 400 V AC.

*The metric of the screw threads is 20mm
