Description

The Huela Pendant Lamp combines a natural and elegant design with top quality finishes. This type of design lamps allow us to give a vintage touch and at the same time make any space a more pleasant environment.

Characteristics of the Huela Pendant Lamp

The Huela Pendant Lamp has a simple design in a natural colour that combines well in any room. The light emitted by this wall lamp will depend on the E27 LED bulb that we install. This way we can choose a warm, cold or neutral light, depending on the atmosphere we want to create. An interesting option is to opt for RGB or CCT bulbs that will provide extra versatility when lighting the space, whether in a home or in commercial premises. **They are widely used in environments as varied as dining rooms, bedrooms, kitchens, living rooms, restaurants, cafés, etc.**

Requires 1 E27 bulb NOT INCLUDED with the product.
