Description

The 3W Banate Portable Outdoor Solar LED Table Lamp with USB Rechargeable Battery is, without a doubt, a highly decorative and versatile element that can be installed in a large number of spaces such as balconies, canopies or outdoor passageways. It incorporates a monocrystalline solar panel in its upper part that allows the wall lamp's battery to be recharged.

Features of the 3W Banate Portable Outdoor Solar LED Table Lamp with USB Rechargeable Battery

This lamp has a simple design which gives a modern touch to the place. Thanks to the built-in diffuser it will emit a uniform 3000K light. It incorporates a Li-on battery that is charged by a solar panel installed on the top of the lamp.
