Colour	Ref:
<input type="checkbox"/> White	34134-72123
<input checked="" type="checkbox"/> Black	34134-72132

Technical Details

Maximum Power	60 W
Tension	220-240V AC
Rated Voltage	200-265V AC
Frequency	50-60 Hz
Lane type	Three-Circuit
Casquillo	E27
Use	Indoor
IP Protection	IP20
Material	Pc, Aluminum

Installation	Track
High	142 mm
Wide	70 mm
Lenght	41 mm
Working temperature	0°C - 0°C
Room Temperature Work	0°C - 0°C
Does not include	Bulbs
Colour	Black, White
Revisión Control de Calidad	No

Description

The E27 Spotlight for Three Phase Track is the perfect solution for highlighting a particular element in space.

The E27 Spotlight for Three Phase Track is fully adjustable, allowing the light from the spotlight to be directed in any direction.

This makes it possible to modify the lighting of the space depending on the elements that compose it. This is why this type of LED lighting is especially designed to focus attention on specific elements or areas.

Applications of the E27 Spotlight for Three Phase Track

Its applications are mainly in spaces such as showrooms, premises with different atmospheres, halls, shopping centres, clothes shops, furniture shops and, in general, commercial spaces that are always being readapted according to the products to be exhibited. Even so, thanks to its elegant design, it can be used in the design of attractive interior environments, and even in the home.

It requires 1 E27 bulb NOT INCLUDED with the product.
