

Models

Colour

☐ White

Ref:

6407-14890

Technical Details

Adjustable	No
Use	Indoor
IP Protection	IP20
Material	PVC, Pc
High	340 mm
Wide	135 mm
Lenght	20 mm
It works with battery	Yes

Battery type	AA - LR11
Number of Batteries	3
Battery Voltage	1.5 V
Does not include	Batteries
Certificates	RoHS, CE, UKCA
Contains battery	No
Warranty	2 Years
Colour	White

Ambience

Description

This Neon LED Storm On Batteries has an innovative design, perfect for creating completely customized environments. **The LED optic provides highly decorative light with very moderate consumption.** The neon itself is covered with a highly resistant and durable material.

Neon LED technology has become the preferred option for luminous signs, logos and for decorating all sorts of spaces. Create your own designs with modern LED lighting, available here at LEDKIA, our online lighting shop.

*Works with 3x AA Batteries (Not Included).
