## Description

**6.2W 460lm S14d Opal Dimmable LED Tube 50cm Creative-Cables SEG55098** is designed by the brand Creative-Cables, an Italian company that since 2014 is dedicated to design lamps with its own style and highly customizable.

### Features of the 6.2W 460lm S14d Opal Dimmable LED Tube 50cm Creative-Cables SEG55098

6.2W S14d Opal Dimmable LED Tube 50cm Creative-Cables SEG55098 **features a S14d socket that is perfect for Syntax® system** lamp holders. Tube bulbs are a beautiful light source that are making a comeback thanks to the use of long-lasting, energy-efficient LEDs. In addition, it uses LED technology so you will get an original and quality bulb without renouncing to energy saving.

To adjust the intensity of an LED bulb correctly, you need a universal LED dimmer.

\*Important: Syntax® lampholder not included.
