Material:	Metal
Size:	1450x250x250 mm
Cable Length	2500 mm
Total Weight:	2.30 kg
Doesn't include:	Bulbs
Warranty:	5 Ans
Certifications:	CE & RoHS

Product description

The Ulux Floor Lamp is a perfect element to give a decorative touch to any place.

It is made of metal, which in combination with its minimalist design presents a modern look, but it will combine perfectly with the decoration of any space, no matter what its style is.

The brightness of the floor lamp will depend on the bulb we place in it. This opens up a wide variety of possibilities as, for example, **we can use filament lamps, giving it a more retro look, or use a more modern-looking bulb.** The important thing is to choose the bulb that illuminates the space properly, taking into account the lighting needs of the space.

Add style and quality to the lighting of any space with the Floor Lamps from our online shop.

Uses 1 E27 bulb NOT INCLUDED in the product.

* This Product has an EU type plug and requires and UK adaptor found [here](#).
