Description

Create your own sign with our **Neon LED Letters, Numbers and Symbols**. You can place them anywhere in your home to bring light and originality to your decor.

This T-type connecting cable will allow you to connect different Letters, Numbers and Symbols. It also has **IP44 protection factor**.

To create a sign you will need a **12V/36W/3A LED Power Adapter** along with the letters, numbers and symbols you choose. All letters and numbers are in capital letters and **in the font Montserrat BOLD**. It is very easy and quick to connect, the letters are joined together with a transparent Type T cable.

Make any personalized sign with the **Neon LED Symbols** that we offer at LEDKIA.
