Ref:

 Warm White 3000K

86029-172471

Technical Details

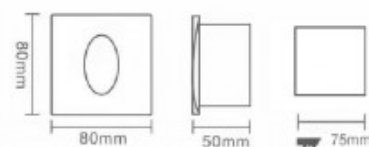

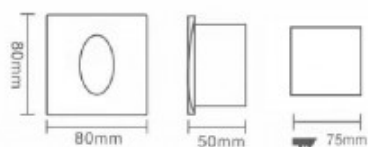

Power:	1 W
Voltage:	220-240V AC
Multi-Voltage:	85-265V AC
Frequency:	50-60 Hz
Driver Output:	3-12V DC // 300 mA
Protection Class:	II
Points of Light:	1
CRI:	80
Lumens:	80 lm
Luminous Efficiency:	80 lm/W
Energy Efficiency 2021 (UE-1369/2017):	A++
Energy Efficiency 2023 (UE-2019/2015):	F
Beam Angle:	30°
Use:	Indoor

IP Protection:	IP20
UGR (Glare Rating):	UGR 17
Material:	PC, Aluminium
Installation:	Recessed
Size:	80x80x75 mm
Cut-Out	72x70 mm
Height:	80 mm
Width:	80 mm
Length:	75 mm
Total Weight:	0.13 kg
Working Temperature:	-20°C ~ +40°C
Life Span:	40,000 Hours
Warranty:	3 Years
Certifications:	CE & RoHS, UKCA

Ambience

Measures

Description

The 1W Adam Square Recessed Wall Spotlight in White is the perfect solution for marking corridors and staircases. It allows us, with a modern design, to highlight those passage areas with a dim but not insufficient illumination.

Features of the 1W Adam Square Recessed Wall Spotlight in White

It has a power of 1W and a brightness of 80 lm, which will be more than enough to do its job. Its angle of aperture is 30° and its colour rendering index is 80. The Adam Square Recessed Wall Spotlight is made of Aluminium.

The main advantage of these LED spotlights is that they are energy efficient, which allows us to save up to 80% in electricity consumption. This, together with their energy efficiency, makes LED lighting the main option when choosing a lighting system. Another advantage of the Adam Square Recessed Wall Spotlight over halogen lights is that the former are much more environmentally friendly, as they emit practically no CO2 and contain no polluting substances.
