Ambience

Description

This 12V 7W RGB LED Surface Spotlight IP 65 is the perfect solution for lighting all sorts of outdoor spaces in the most varied of ways.

With RGB LEDs we can light **using coloured lights that will provide ambience to any event we might be celebrating** in our garden or by the pool. Also, this LED spotlight for pools and gardens is adjustable and allows us to point the light in any required direction.

As it's made from aluminium and has an IP67 Protection factor, this 7W RGB LED Surface Spotlight is resistant to dust and water. Also, it has a 30,000 hour working life. **The RGB functions of the spotlight are controlled via a comfortable remote control that's included with the product.**

At LEDKIA, our online lighting shop, you'll find the most versatile options for lighting your garden, like this 7W RGB LED Surface Spotlight.
